Preference in certification may be given to successful candidates who have been legal residents of Madison County or the jurisdiction in which appointment is to be made for at least one month prior to the date of certification.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangements for taking all tests at one test site. DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility on an assigned shift for the enforcement of rules and regulations governing the custody, security, conduct, discipline, safety and general well-being of inmates at the County correctional facility. The duties involve considerable inmate contact and supervision in a work, recreation or learning environment. Work procedures are well defined but incumbents must be alert to possibilities of emergency situations arising and exercise sound judgment when problems occur. The work is performed under general supervision of a higher level correctional supervisor with leeway allowed for the exercise of independent judgment in dealing with day-to-day situations in the facility. The incumbent does related work as required.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of a high school equivalency diploma.

TO BE CERTIFIED FOR APPOINTMENT, CANDIDATES MUST MEET THE FOLLOWING SPECIAL REQUIREMENTS:

1. No person may be appointed as a Corrections Officer who has been convicted of a felony or of any offense in any other jurisdiction which if committed in New York State would constitute a felony. A person may also be barred from appointment if he/she has been convicted of a misdemeanor or of any offense in any other jurisdiction which if committed in New York State would constitute a misdemeanor if the County Personnel Officer determines that the employment of such person is not in the best interest of the department.

Failure to meet the standards for the background investigation may result in disqualification.

FINGERPRINTING & FEES: Fingerprinting may occur at the applicant's expense.

PRE-PLACEMENT PHYSICAL AND CONTROLLED SUBSTANCES SCREENING: When you are offered a permanent, full-time or permanent, part-time appointment at Madison County, the offer of employment will be contingent upon successful completion of a pre-placement physical and controlled substance screening prior to employment.

SUBJECTS OF EXAMINATION: A written test designed to evaluate knowledge, skills and/or abilities in the following areas:

Preparing Written Material: These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

Understanding and Interpreting Written Material: These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

Applying Written Information in a Correctional Services Setting: These questions test for the ability to read, interpret, and apply rules, regulations, directives, written narratives and other related material. You will be required to read a set of information, and to appropriately apply the information to situations similar to those typically experienced in a correctional services setting. All the information needed to answer the questions asked concerning the situations presented is contained in the rules, regulations, etc., which are cited.

Observing and Recalling Facts and Information: These questions test for the ability to observe and recall information presented. You will be presented with information describing or depicting prison scenes or other facts. You will have a short time to observe and memorize the information before it is collected by the monitor. You will then be asked to recall specific details about the information presented.

TEST GUIDE: A Guide for the Written Test for **Corrections Officer** is available at the New York State website: <https://www.cs.ny.gov/testing/testguides.cfm>. Candidates not having access to a computer or the internet may request copy of the test guide from the municipal civil service office conducting this examination using the contact information found elsewhere on this announcement.
