**MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY:** If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangements for taking all tests at one test site. All examinations for positions in State government will be held at a State examination center.

**DISTINGUISHING FEATURES OF THE CLASS:** This position exists in the County Mental Health Clinic and involves responsibility to perform professional social work at an advanced level in the process of helping individuals with social, emotional and related difficulties associated with their mental illness or disability. Since the employee is expected to function with a high degree of clinical independence and judgment, the incumbent assumes a leadership role in overseeing assessments, diagnoses and treatment as well as provision of consultation and educational activities to staff members of the mental health program and personnel of various other county agencies. This position differs from that of Staff Social Worker because of the more difficult level of professional involvement with clients and the supervision of subordinate clinical staff members. Clinical supervision is exercised over the work of a small number of Staff Social Workers. The incumbent does related work as required.

**MINIMUM QUALIFICATIONS:** Limited to employees with at least one (1) year of permanent competitive class status in the title of Staff Social Worker who also meet the following Open Competitive qualifications immediately preceding the date of the examination. EITHER:

- (A) Possession of a New York State license to practice as a Licensed Clinical Social Worker (LCSW) and current registration, issued by the New York State Education Department at time of application AND one (1) year of full-time paid social work clinical experience, or its part-time equivalent, in a clinical social work setting\*; all of which must have been post-Master's Degree (MSW) experience; OR
- (B) Possession of a New York State license to practice as a Licensed Master Social Worker (LMSW) and current registration, issued by the New York State Education Department at time of application AND three (3) years of full-time paid social work clinical experience, or its part-time equivalent, in a clinical social work setting\*; all of which must have been post-Master's Degree (MSW) experience.

**NOTE:** License and registration must remain current throughout appointment.

**SPECIAL REQUIREMENT FOR APPOINTMENT:** The minimum qualifications for this position are mandated under Article 154 of New York State Education Law.

**NOTE:** \*Clinical Social Work Setting is defined as any facility/agency in which individual, family and group treatment is provided directly to clients who are experiencing emotional difficulties, and further, that supervision is provided by an approved clinical professional (licensed clinical social worker, psychiatrist or licensed psychologist).

**Seniority Points** will be added to the written test score of candidates who pass the written test in accordance with County policy. Rating is based on the length of continuous permanent classified service. A copy of the seniority policy is available from the Madison County Personnel/Civil Service Department or a copy is posted on the Madison County Personnel Department's intranet page.

**SUBJECTS OF EXAMINATION:** A written test designed to evaluate knowledge, skills, and/or abilities in the following areas:

**Developing & Implementing Treatment in a Social Work Program:** These questions test for knowledge, understanding, and ability to apply social work concepts, theories, standards, principles, and practices in various settings. Questions may cover such topics as assessment, development, implementation, monitoring and evaluation of treatment for individuals and families; coordination of services; advocacy and counseling for individuals and families of all backgrounds; and crisis intervention.
