# **VACANCY ANNOUNCEMENT**

## **HEALTH STATISTICIAN**

**(COUNTY APPLICATION REQUIRED- Go to: <https://madison-portal.mycivilservice.com/> )**

Health Statistician sought for full-time position with the Madison County Public Health Department. This is a technical position responsible for coordinating the social, economic and statistical data collection and analysis functions, as mandated by the New York State Department of Health. The incumbent designs, plans and implements data analysis systems, which investigate the nature and extent of health care needs; evaluating proposed or existing health services and techniques; and evaluating the effectiveness of health programs through data collection and analysis. The work is performed under the direct supervision of the Quality Improvement Coordinator and the general supervision of the Public Health Director with leeway allowed for the exercise of independent judgment. Supervision may be exercised over interns. The incumbent performs related duties as required.

**\*\*\*THIS IS A TESTED CIVIL SERVICE POSITION\*\*\***

---

### **MINIMUM QUALIFICATIONS:** Either:

- (A) Graduation from a regionally accredited or New York State registered college or university or one accredited by the New York State Board of Regents to grant degrees with a Master's degree in Public Health or a closely related field; OR
- (B) Graduation from a regionally accredited or New York State registered college or university or one accredited by the New York State Board of Regents to grant degrees with a Bachelor's degree in biostatistics, statistics or a closely related field AND two (2) years of full-time paid, or its part-time equivalent, experience in technical or quantitative public health research or biostatistical analysis.
