SUBJECTS OF EXAMINATION: A written test designed to evaluate knowledge, skills and/or abilities in the following areas:

Preparing written material: These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. Secondly, you will be given sets of written instructions and regulations regarding such Social Services programs as cash assistance, medical assistance, and Supplemental Nutrition Assistance Program (SNAP) benefits. In addition, some questions may deal with contacting or interacting with other community organizations and agencies to benefit the client or the general public.

The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
