VACANCIES: The eligible list established as a result of this examination will be used to fill present and future vacancies as they occur in Madison County Sheriff's Office.

RESIDENCY: There are no residency requirements for this examination. Preference in certification may be given to successful candidates who have been legal residents of Madison County for at least one month prior to the date of the certification.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangements for taking all tests at one test site. All examinations for positions in State government will be held at a State examination center.

DISTINGUISHING FEATURES OF THE CLASS: The work involves civilian personnel who support the County Sheriff in performing routine duties that do not require arrest powers. Incumbents in this class are briefed in laws, procedures and techniques, to the extent required to perform limited support functions in areas including but not limited to public relations assignments at schools, special events and other community-oriented activities. Assignments are received orally or in writing from the Sheriff or designee. Job performance is monitored by direct observation, review of reports and feedback from personnel who interact with the incumbent. The incumbent performs related duties as required.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of a high school equivalency diploma.

SPECIAL REQUIREMENT: Possession of a valid New York State driver's license at time of appointment and maintenance of said license for the duration of appointment.

PRE-PLACEMENT PHYSICAL AND CONTROLLED SUBSTANCES SCREENING: When you are offered a permanent, full-time or permanent part-time appointment at Madison County, the offer of employment will be contingent upon successful completion of a pre-placement physical and controlled substance screening prior to employment.

SUBJECTS OF EXAMINATION: A written test designed to evaluate knowledge, skills and/or abilities in the following areas:

Preparing written material: These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

Understanding and interpreting written material: These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

Educating and interacting with others: These questions test for the ability to interact effectively with individuals or groups to educate or inform them about topics of concern, to publicize or clarify agency programs or policies, to obtain information through interviews and other methods, and to represent one's agency or program in a manner consistent with good public relations practices. Questions may also cover interacting with others in cooperative efforts of public outreach or service.

Cell phones and devices with typewriter keyboards, “Spell Checkers”, “Personal Digital Assistants”, “Address Books”, “Language Translators”, “Dictionaries”, or any similar devices are prohibited.
